

1. Select your Enrichment Course
(Ex. 8 Enrichment (Per 7AB) Q1 18)

2. Make sure your course is Published.
Once it is published, it will be Green with a checkmark

3. Click on Grades

4. The Assignment is already created and named MP1.

Enter 0 or 1 for the MP1 assignment (0 = Failing and 1 = Passing)

5. You will see the P or F in the total category.

The screenshot shows a table with columns: Student Name, Secondary ID, MP1 Out of 1, Assignments 0.00% of grade, Assignments* 100.00% of grade, and Total. A filter box at the top left says 'Filter by student name or secondary ID'. Red callout 4 points to the 'MP1 Out of 1' column, and red callout 5 points to the 'Total' column. The table contains three rows of data, with the first two rows having a green highlight in the Student Name column.
