

Proctors Cheat Sheet

Summary of tasks you will find in this document:

- Getting set up with your account
 - Receive the email
 - Set your password
- Login
- Find a Session
- Preparing a Session
- Unlock a Session
- Start the Test

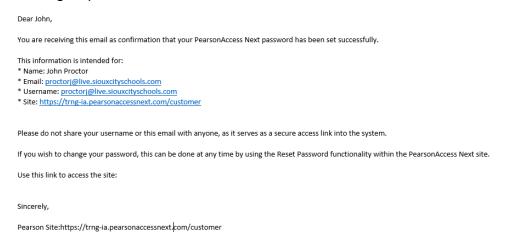

Getting set up with your account

To get set up with your account, we will be creating an account in the ISASP system. This will automatically send you an email. The email will have the following content:

Dear John,
Welcome to PearsonAccess Next! You have been assigned a User ID on the PearsonAccess Next Website. This information is intended for:
* Name: John Proctor * Email: <u>proctori@live.siouxcityschools.com</u> * Username: <u>proctori@live.siouxcityschools.com</u>
Please do not share your username or this email with anyone, as it serves as a secure access link into the system.
To establish your initial password, please click on the link below or paste it into your browser. Password must be between 8 and 32 characters long, cannot be any of the last 5 passwords used and must contain 3 out of the 4 character types listed below: Uppercase Lowercase Number Special Character except <> '`- ";
https://trng-ia.pearsonaccessnext.com/customer/change-password.action?username=proctorip 640 live.siouxcityschools.com & token=eba5028e-514e-4491-b1bf-8f88392968a2%3A1 and a start of the start of
If you wish to change your password, this can be done at any time by using the Reset Password functionality within the PearsonAccess Next site.
Use this link to access the site: https://trng-ia.pearsonaccessnext.com/customer
Sincerely,
Pearson

Click on the link provided and follow the directions to set up your account.

After successfully setting your password, you will receive another email confirming the successful sign-up:

Note that you will only have access to the Training Area. Also note that the Training Area is signified by having a bronze color as background whereas the LIVE site is blue. When you are provided access to the live site you will get yet another email confirming your access to the live site:

Dear John,

You have been granted additional access to PearsonAccessNext.

- This information is intended for:
- * Name: John Proctor
- * Email: proctorj@live.siouxcityschools.com * Username: proctorj@live.siouxcityschools.com

Click on the link below to begin using the site.

https://ia.pearsonaccessnext.com/customer

Please sign in using your existing Username and Password.

If you wish to change your password, this can be done at any time by using the Reset Password functionality within the PearsonAccessNext site.

Sincerely,

Pearson

Preparing a Session

Before a session can be started, it must first be prepared.

To prepare and start a session, you must have already selected a session and gone to the "Go to students in session" link (see the previous two sections for how to get there).

Remember to click on the session so you see the students!!! It should look something like the following. Note the Prepare Session. Click it.

🗈 Iowa PearsonAccess ^{next : 🗴 🕒 Students in Se}	essions - Core × +						- 🗆	×

Starting a Session

Once prepared, a session can then be started by selecting "Start Session".

Once the test session has been started the "start session" will change to "stop session" (A) and the status will change to "in progress" (B) and there will be green dots next to the Session name (C). Note that the session is locked – so students will not be able to start yet (D).

Unlocking a Test

This feature is provided as an additional layer of test security.

Tests may be unlocked once a test session has been started (see previous section).

A test must be unlocked before a student can sign in to TestNav. Click the circle near the padlock as shown below and the circle will slide to the unlocked padlock.

Students can now get into this test with TestNav

Monitoring and Resuming Tests

Proctors can view student testing statuses as needed from the "Students in Session" page within PearsonAccessNext.

If students in different test sessions are testing in the same room, they can monitor multiple test sessions simultaneously by adding the relevant test session to the session list and selecting "combined view" from the top of the session list. Again, make sure proctors are selecting the "refresh" option to update the data display.

When testing over multiple days or signing back into a test after a break, tests must first be resumed in PearsonAccessNext. Only students in active or exited status can be resumed. Other statuses such as ready, complete, or marked complete cannot be resumed because that student has either not yet started testing or is indicated as complete.

There are two ways to resume a test; you may resume all student tests or resume an individual student's test.

To resume all student tests, select the check box at the top of the left of the stoop data grate. Note: if you select the check box at the top on the left, it automatically selects all the students on the page – up to 25 students. If you have more than 25 students in your test session, at the bottom of the page, select the next page to select additional students before proceeding to the next step. Also, you may change the display option at the top of the page to show more than 25 students.

Once you have selected all students, select the drop down menu next to the start button (A) and choose "Resume Student Tests" (B), and then select "Start" (C).

Again check the boxes next to the tests you wish to resume. Then select "Resume". Click the "Exit Tasks" button to return to Students in Sessions

STUDENT NAME (CODE)	SESSION (STUDENT TEST)			STUDENT TEST	STATUS
ARREOLA-TORRES, JASMINE (9046725889) 0	AHRENDSEN JAMIE (Grade	5 Math Practice	Test)	Exited	
☑ BARCUS, REESE (2516582212) [●]	ACKERLY SARAH (Grade 5	Math Practice Te	est)	Exited	
BOUWERS, PAUL (9274761747) 6	AHRENDSEN JAMIE (Grade	5 Math Practice	Test)	Exited	
CABRERA GONZALEZ, ERNESTO (1547335851)	PAUTSCH SARAH (Grade 5	Math Practice Te	est)	Ready	
CARRILLO GALICIA, MAIRENY (8564758913) 3	PAUTSCH SARAH (Grade 5	Math Practice Te	est)	Ready	

To resume an individual student test:

In the student test column, select the drop down menu next to the student status – you will either select resume or resumed upload depending on how the student exited testing.

When resuming a test, students will use the same testing ticket to sign back into TestNav. When the student signs back into TestNav he/she will select "resume" to continue testing. Please note: testing tickets are located under the "Resources" drop menu at the top of the page.

Students must submit answers in order for their tests to be scored and for the district to receive test results for that student.

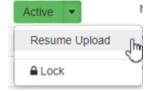

Student laptop shuts down unexpectedly while the test is being taken

Fix: Steps to take for the student to resume on the same or different computer

1) Proctor will see the student is still Active in PearsonAccess next

- 2) Student will try to login to TestNav on any computer, but will receive a message that a proctor must resume their test.
- 3) Proctor must click the Active button and select Resume Upload

4) Student can then login to TestNav, but will receive a message for the Proctor. Proctor must click the **"Test Proctor – Click Here"** button

Early Warning System

Message 1001

Your test has been saved

Please contact your teacher or test proctor to complete this process

Test Proctor - Click Here

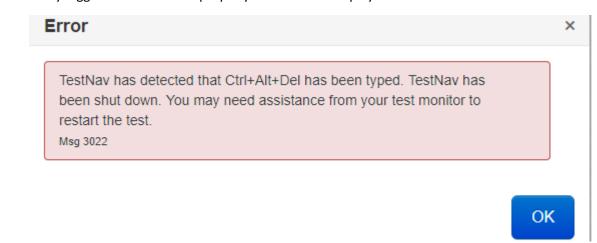

5) Proctor must click the **"Skip Upload"** button in order for the student to resume the test. We do not need to upload a file since we are using a caching server for testing.

essage 1005			
our previous exit from Tes spected.	Nav was abnorma	al, so a saved re	sponse file (SRF)
Please browse to a respo	onse file and uploa	d it.	
Response file name: ab2	9e3b6-61eb-4109	-ac52-75e10256	60d60.SRF
Response file name: ab2 Response file location:	9e3b6-61eb-4109	-ac52-75e10256	Browse
	9e3b6-61eb-4109	-ac52-75e10256	

If a student types Ctrl+Alt+Del, then the following message appears and the student is automatically logged out of TestNav properly so the status displays "Exited" for the Proctor

End of the Test Session

- At the end of the test session, if all students have completed, proctor will close the session. Done!
 - \circ $\,$ Collect the tickets and deliver to SAC at end of the day
- If at the end of the test session not all students have completed,
 - Student upper right drop down, Exit TestNav
 - the proctor will 'lock' the session.
- Students who did not complete, that student needs to take their ticket to the make up room. (I don't think you want to put the responsibility on the student to hang on to and deliver the testing ticket to the make-up room)
 - The Make-up Proctor
 - For list of all test sessions, select those sessions, resume all tests
 - Then for each individual test session, unlock
 - At the end of the test session (or when all students are complete), Make-up Proctor will collect the tickets and place them in:
 - Completed
 - Did not complete
- At the end of the day the Proctor or Make-up Proctor will take tickets to the SAC

After all students have completed their online test, you should stop test sessions via the "Students in Sessions" page.

Please note, all students must be in either a completed or marked complete status before you will be able to stop the relevant test session.

For questions, please contact the ISASP support line at 833-878-7041.
